Supplemental Declaration Of Covenants, Conditions And Restrictions For White Barn Trails at Stonehill Village

THIS SUPPLEMENTAL DECLARATION is made by **STONEHILL DEVELOPMENT, LTD.**, an Ohio limited liability company, a wholly-owned subsidiary of **NUTTER ENTERPRISES, LTD.**, an Ohio limited liability company (“Developer”), effective as of the date this instrument is recorded in the office of the Greene County Recorder.

Article One Introduction

Section 1.01 Background of the Community

The Developer has created a master-planned community known as Stonehill Village. The Community is a mixed-use residential and business development integrated into a unique, unified environment. The various segments of the Community are grouped into Neighborhoods. Each Neighborhood has common characteristics, including permitted uses, architectural design and size of Primary Structures, and location within the Community. The Developer implemented the general structure for the Community by recording a Master Declaration of Covenants, Conditions and Restrictions for Stonehill Village at Volume 1307, Page 260 in the Recorder’s Office of Greene County, Ohio. The Declaration is the comprehensive development plan for the Community that describes the rights and obligations applicable to all Owners and Users of the Lots and Common Areas in the Community.

Section 1.02 Purpose of Supplemental Declaration

The Developer now desires to begin development of another Neighborhood in the Community. The purpose of this Supplemental Declaration is to integrate the Neighborhood as a functioning part of the Community. This Supplemental Declaration also describes additional rights, obligations, covenants, conditions and restrictions applicable to this Neighborhood that are not otherwise described in the Declaration.

Section 1.03 Coordination with Declaration

The Developer reserved the right in the Declaration to amend and supplement the Declaration as each Neighborhood is activated. This Supplemental Declaration is an amendment to the

Declaration. But, it supplements the Declaration with additional terms and conditions that apply only to this Neighborhood, and does not modify or eliminate any terms or conditions of the Declaration. The Declaration remains in full force and effect, and applies to all aspects of the Neighborhood described in this Supplemental Declaration. This Supplemental Declaration is subordinate to the Declaration.

Section 1.04 Owner

G.A. White Development Company, LLC, an Ohio limited liability company, is the current fee title holder to the premises which will comprise the Neighborhood, and joins in this Supplemental Declaration for the purpose described in Section 2.01. Nutter Enterprises, Ltd. is the “Developer” for the purposes of the Governing Documents.

Section 1.05 Exclusive Builder

G.A. White Homes, Inc., an Ohio corporation, is hereby designated as the sole member of the approved Builder Group for the White Barn Trails Neighborhood. This exclusive nature of designation shall be automatically revoked by the reacquisition by the Developer (or by a Related Entity) of the interest of G.A. White Development Company, LLC in the Property described on Exhibit A, following the occurrence of a “Termination Event” pursuant to the terms of the Land Purchase Agreement between KERWN CYAN, LLC (a Related Entity of Developer) and G.A. White Development Company, LLC dated May 2, 2014, as amended (the “Land Purchase Agreement”). G.A. White Homes, Inc. and G.A. White Development Company, LLC are collectively referred to herein as “G.A. White.”

Section 1.06 Incorporation of Other Governing Documents

This Supplemental Declaration is also one of the Governing Documents for the Community. It is to be interpreted and enforced in conjunction with all of the other Governing Documents, and not as an independent instrument. Other documents referred to in this Supplemental Declaration are also made a part of the Governing Documents. All of these Governing Documents are incorporated into this Supplemental Declaration by reference, and are made a material part of this Supplemental Declaration to the same extent as if they were completely rewritten in this Supplemental Declaration, or were attached to this Supplemental Declaration as exhibits. This Section will be deemed to be conclusive and binding constructive notice on every Person of the existence of all of these Governing Documents, regardless of whether or not all or any of those Governing Documents are ever recorded in the public records. By accepting a deed to a Lot in this Neighborhood, every Owner will be deemed to have notice of, to consent to, and to agree to be unconditionally bound by, all terms, conditions, rights and obligations of each and every Governing Document, whether now in existence or created in the future, and including all future amendments to any of the Governing Documents. All of the Governing Documents will be available for inspection by any Owner, any purchaser under contract to buy a Lot in this Neighborhood, or any prospective purchaser, during the Association’s normal business hours.

Further, any Owner, or any purchaser under contract to buy a Lot in this Neighborhood, may obtain a copy of all or any portion of the Governing Documents upon written request to the Association and payment of any applicable charge for the copy.

Section 1.07 Defined Terms

Words and phrases in this Supplemental Declaration that have specifically defined meanings are indicated with capital first letters. All of these defined terms have the same meanings as described in the Glossary of Defined Terms attached to the Declaration as Exhibit C.

Section 1.08 Interpretation

This Supplemental Declaration must be liberally construed in a manner that will best achieve the purpose, intent, goals and objectives of the Declaration. During the Development Period, the Developer will have the exclusive power and discretion to resolve any questions concerning the proper interpretation of this Supplemental Declaration. After the Development Period, the Board of the Association will have the exclusive power and discretion concerning these interpretations. All interpretative decisions of the Developer and the Board will be final and binding on all Persons. If there is a conflict between the terms of the Declaration and this Supplemental Declaration, the terms of the Declaration will control.

Section 1.09 Exercise of Discretion

Many aspects of the Governing Documents, and other decisions regarding the appropriate development and operation of the Community, require decisions that involve careful thought, analysis and exercise of discretion concerning what is in the best interests of the Neighborhood and the Community as a whole in light of the Developer's underlying intent, purposes and goals as reflected in the Declaration and this Supplemental Declaration. Therefore, unless a different standard is specifically stated in a particular provision, whenever any provision of this Supplemental Declaration, or any of the other Governing Documents, requires or permits a judgment, decision or determination by the Developer, the Developer will have the sole, absolute and exclusive power and discretion to make the judgment, decision or determination without any notice to or consent of any other Person. This standard will apply whether or not it is specifically stated in the provision requiring or permitting the judgment, decision or determination. Further, the standard in this Section will apply to all judgments, decisions or determinations of the Association and Board, the Neighborhood Society and Council, and the Design Review Board where action by any of those entities is required or permitted.

Article Two

Creation of Neighborhood

Section 2.01 Submission of Neighborhood

In order to implement the Developer's plan of development for the White Barn Trails at Stonehill Village Neighborhood, the Developer and G.A. White declare that all of that portion of the Stonehill Village Property described on attached Exhibit A must be held, used, occupied, improved, sold, conveyed and otherwise transferred and owned subject to all of the terms, covenants, conditions and restrictions described in the Declaration and this Supplemental Declaration. The Declaration, this Supplemental Declaration, and all of the other Governing Documents are unconditionally binding upon all of the Property described on Exhibit A, and upon all Persons who own, occupy or use any portion of that Property.

Section 2.02 Name of Neighborhood

The formal name of this Neighborhood is "White Barn Trails at Stonehill Village." The abbreviated name of this Neighborhood is "White Barn Trails."

Section 2.03 Activation

Upon recording this Supplemental Declaration in the office of the Greene County Recorder, all of the Property described on attached Exhibit A is formally activated as a Neighborhood of the Community. The Developer will systematically integrate each respective portion of this Neighborhood as functioning parts of the Community by recording a Plat for the Section of the Neighborhood then under development. Recording of each Plat will trigger the enforceability of the Declaration, this Supplemental Declaration and all of the other Governing Documents with respect to that Section of the Neighborhood described in the Plat.

Section 2.04 Relationship to Community

White Barn Trails at Stonehill Village is one of several Neighborhoods in the Community. This Neighborhood is contemplated in the Master Concept Plan, and is being integrated into the Community consistent with the Master Concept Plan. As part of the Community, this Neighborhood is a single component of the development plan for all of Stonehill Village. This Neighborhood will co-exist in the Community in relationship with all other present and future Neighborhoods of the Community in the manner described in the Declaration, but not as a separate, independent subdivision. The Owners and Occupants of the Lots in this Neighborhood will have all of the rights and privileges, and be subject to all of the obligations and restrictions, under the Declaration.

Section 2.05 Subordination to Applicable Law

This Supplemental Declaration is subject to Applicable Law of all Government Entities. This includes all conditions and requirements of Beaver Creek Township Zoning Case #671, any future amendments of that Zoning Case, all other applicable zoning regulations, and applicable subdivision regulations of Greene County, Ohio.

Article Three Neighborhood Development Plan

Section 3.01 Neighborhood Concept Plan

The concept plan for White Barn Trails at Stonehill Village is attached to this Supplemental Declaration as Exhibit B. This Neighborhood Concept Plan illustrates the manner in which the Developer intends to subdivide and develop the Neighborhood. The Neighborhood Concept Plan depicts the Developer's present intention for development of the Neighborhood. The Developer reserves the right to modify the Neighborhood Concept Plan at any time and for any reason without any notice to or consent of any Person. However, any modification of the Neighborhood Concept Plan will be subject to satisfaction of applicable zoning and subdivision requirements and approvals of appropriate Government Entities.

Section 3.02 Permitted Uses

White Barn Trails at Stonehill Village is a medium density Residential Neighborhood. All Lots in this Neighborhood will be used for single family residential purposes, but not for any other purpose. This limitation on permitted uses does not apply to those portions of the Neighborhood designated as Common Area or dedicated for public use.

Section 3.03 Phasing of Development

The Developer will subdivide the Property within the Neighborhood by recording one or more Plats in the office of the Greene County Recorder. Each Plat will constitute a Section of the Neighborhood, and will be designated sequentially in the order in which the Developer subdivides the Neighborhood. More than one Section may be under development at the same time. Completion of the sequence of Sections will complete the Phase of the Community constituting this Neighborhood. Each Plat will show the specific layout of the Lots, Common Areas and portions of the Property dedicated for public use. A Plat may also show specific easements for Public Utilities. All Easement Areas described in the Declaration may not be specifically indicated on a Plat. Failure to particularly describe or designate a specific Easement Area on a Plat will not diminish the effectiveness of the easements reserved in the Declaration.

Section 3.04 Common Areas

Each Plat will show those portions of the Neighborhood that are designated as Common Area. Upon recording each Plat, the designated Common Area will be automatically activated as Functioning Common Area. After recording a Plat for the Neighborhood, and upon completion of development of the Common Area and conveyance to Owners of 66.6% of the Lots in the phase of development indicated on the Plat, the Developer will convey, or cause the conveyance of, all of the Common Areas described on the Plat to the Association. The conveyances will be accomplished by recording a limited warranty deed from G.A. White to the Association. The Association may delegate all or specific portions of its maintenance and assessment responsibilities concerning Common Areas in this Neighborhood to the Neighborhood Society. G.A. White shall have the obligation to maintain all Common Areas until conveyed to the Association, to the same standards as the Association maintains the other Common Areas in the Community, at G.A. White's expense. After the Common Areas are conveyed to the Association, the Association will maintain the Common Areas, at the Association's expense. For so long as G.A. White owns any property in the Neighborhood, G.A. White is obligated to maintain, at its own expense, a bond in the amount of up to \$500,000.00, to insure the maintenance of the Common Areas until the development of the Neighborhood is complete (the "Maintenance Bond"). The specific amount of the bond must be approved in writing by the Developer and G.A. White. G.A. White must provide written proof of the existence and amount of the Maintenance Bond to the Association and the Developer on an annual basis. In the event that development activity results in additional maintenance expenses for the Common Areas, beyond typical maintenance expenses incurred in other similar parts of the Community, the Association will be entitled to recover the additional maintenance expenses from G.A. White or the Maintenance Bond. If G.A. White no longer owns any property in the Neighborhood, all obligations noted in this Section shall terminate.

Section 3.05 Design Controls

All of the design controls described in Part Four of the Declaration apply to this Neighborhood, except to the extent that the Design Review Board and the Approved Builder Program are modified in the Neighborhood Design Review Standards for White Barn Trails at Stonehill Village. All Improvements and construction activities in the Neighborhood are subject to full compliance with the Declaration and all of the Community Design Review Standards. In addition, the Developer will adopt Neighborhood Design Review Standards to supplement the Community DRS. These Neighborhood DRS will impose specific standards, requirements, policies and procedures that apply to this particular Neighborhood. The Design Review Board has jurisdiction over all Improvements in the Neighborhood in order to assure compliance with the Declaration and all of the Governing Documents. The authority of the DRB is described in the Declaration. This Supplemental Declaration does not create any additional rights or obligations on the DRB.

Section 3.06 Protective Covenants and Restrictions

All protective covenants and restrictions described in Part Five of the Declaration apply to this Neighborhood. This Supplemental Declaration does not impose any additional protective covenants or restrictions for this Neighborhood.

Article Four Management of Neighborhood

Section 4.01 Creation of Society

The Developer will form an Ohio non-profit corporation named White Barn Trails Neighborhood Society, Inc. The Developer will file the Articles of Incorporation and Original Appointment of Statutory Agent in the office of the Ohio Secretary of State to formally create this Society. As sole incorporator of the Society, the Developer will also adopt the Canons of Order to serve as the code of regulations for the government of the Society, the conduct of its affairs, and the management of its property. The Canons of Order, as the code of regulations of the Society, are attached hereto as Exhibit C and are incorporated in this Supplemental Declaration in compliance with Ohio Revised Code Section 5312.02. The Articles, Canons of Order, other organizational documents and all further documents relating to this Society are part of the Governing Documents, and are incorporated into this Supplemental Declaration by reference.

Section 4.02 Primary Purpose of Society

This Society is the governing body for the White Barn Trails at Stonehill Village Neighborhood, subject to the authority of the Association and the Developer. The primary purpose of the Society is to provide a forum where Owners in the Neighborhood will have an opportunity to provide input into matters that affect the Neighborhood and the Community. The Members of the Society will also elect a representative to serve as the Voting Member to represent the Neighborhood in the Association. The Society may also serve an important social function by fostering closer relationships among the Owners in the Neighborhood, and between the Neighborhood and other Neighborhoods in the Community.

Section 4.03 Further Purpose of Society

The White Barn Trails Neighborhood Society may also serve the purpose of providing for the care and maintenance of Common Areas in the Neighborhood, if and to the extent that the Association delegates these responsibilities. The White Barn Trails Neighborhood Society may request that the Association provide lawn care, landscaping and other maintenance services for the Common Areas in the Neighborhood prior to the conveyance of those Common Areas to the

Association, and to the Owners of Lots in the Neighborhood, to the extent and on the terms determined by the Society and the Association.

Section 4.04 Structure and Powers of Society

The Declaration, and the Articles and Canons of Order of the Society, describe the structure of and membership rights in this Society. The Articles and Canons of Order of the Society also describe the rights, powers and authority of the Society in more detail. The Association may delegate some of its rights and obligations concerning the Neighborhood to the Neighborhood Society if the Association determines that this action will provide for a more efficient management and operation of the Neighborhood.

Section 4.05 Assessments

This Neighborhood Society does have the power to levy separate Assessments against the Owners and the Lots in the Neighborhood for the services it provides, subject to approval by the Association. The Neighborhood Society may also serve as the collection agent for the Assessments levied by the Association against the Owners and Lots in the Neighborhood. The power of the Neighborhood Society to levy and collect Assessments is subordinate to, and not independent of, the rights of the Association, as described in the Declaration and other Governing Documents.

Section 4.06 Relationship to Association and Developer

The Society is subordinate to the Association for the Community. The Society is also subordinate to the rights reserved by the Developer with respect to the Neighborhood and the Community. The relationship among the Society, the Association and the Developer, and the respective rights and obligations of these entities, are described in more detail in the Declaration and in the Articles and Canons of Order of this Society.

Article Five Enforcement and Remedies

Section 5.01 Application to Supplemental Declaration

All remedies and enforcement procedures described in Part Eight of the Declaration apply to this Supplemental Declaration to the same extent as if that Part were completely rewritten in this instrument.

Article Six

Transition of Control

Section 6.01 Developer's Reservation of Rights

In Part Nine of the Declaration, the Developer reserved exclusive rights, powers and authority over the development, management, use and ownership of the Community during the Development Period. All of the reserved rights in the Declaration apply to this Supplemental Declaration.

Section 6.02 Development Period and Transition

Part Nine of the Declaration also describes the manner in which the Developer will transition control of the Community and each Neighborhood to the Association and the respective Neighborhood Societies during the Development Period. This Supplemental Declaration and the White Barn Trails at Stonehill Village Neighborhood are subject to all provisions relating to the Development Period and the transition of control described in the Declaration.

Section 6.03 Irrevocable Power of Attorney

The irrevocable power of attorney in Part Nine of the Declaration also applies to all aspects of this Supplemental Declaration and the White Barn Trails at Stonehill Village Neighborhood.

Article Seven

Related Entity Provisions

Section 7.01 Reservation of Developer's Rights

The Developer reserves all of its rights, powers, authority and immunities under the Master Declaration and other Governing Documents. This includes, without limitation, exclusive control of the Design Review Board, administration of the Approved Builder Program, and management of the Association during the Development Period.

Section 7.02 Further Conveyance

Prior to the recording of this Supplemental Declaration, the Developer conveyed all of the real property described on attached Exhibit A to G.A. White pursuant to the terms of the Land

Purchase Agreement. The purposes of the conveyance was to enable GAW to construct all of the site improvements and to sell all of the Lots in the Neighborhood. Notwithstanding the eventual ownership of G.A. White of the property constituting the Neighborhood and its work in developing the property, Nutter Enterprises, Ltd. will remain the Developer of the Neighborhood for all purposes under Master Declaration and other Governing Documents.

Article Eight

Additional Terms and Conditions

Section 8.01 Use of Neighborhood Name

No Person will have the right to use the name “White Barn Trails,” or any derivative of that name, in any part of the name of any building or Improvement, or any business or enterprises, or in any printed or promotional material, without the Developer’s prior written consent. However, Owners may use that name in printed or promotional materials for the sole purpose of specifying that particular Lot or Improvement is located in the Neighborhood known as White Barn Trails at Stonehill Village. The Neighborhood Society is entitled to use the name White Barn Trails at Stonehill Village in its name.

Section 8.02 Notice of Transfer

If any Owner desires to transfer title to his or her Lot, the Owner must give the Board of the Association or the Council of the Neighborhood Society written notice of the name and address of the transferee, the date of transfer of title, and such other information as the Board or Council may reasonably require. This notice must be received by the Board or the Council at least Seven (7) days prior to closing on the transfer of the Lot. Until the Board or Council receives the written notice, the transferor will continue to be jointly and severally responsible for all obligations of the Owner of the Lot, including payment of Assessments, notwithstanding the transfer of title to the Lot. Further, the new Owner will not be considered a Member of the Association or the Neighborhood Society until the Association or the Neighborhood Society receives the notice described in this Section.

Section 8.03 Notices

Unless a particular form of delivery is specified in any provision of the Governing Documents, any notice required or permitted to be given to any Person under this Supplemental Declaration or the other Governing Documents may be sent by ordinary postage prepaid mail, certified or registered mail, express delivery, hand delivery, telecopy, electronic transmission, or any other form of communication that results in conveyance of the information in a form then generally recognized as reliable. The party sending the notice will have the burden of proof that the notice was actually sent and received. Any notice to an Owner or Qualified Mortgagee must be

addressed to the Owner's or Qualified Mortgagee's address as it then appears on the records of the Association.

Section 8.04 Condemnation

If all or any portion of a Lot becomes the subject matter of any condemnation or eminent domain proceeding, or is otherwise sought to be acquired by a condemning authority, the net proceeds of any award or settlement will be the property of the Owner and any Qualified Mortgagee with an interest in the Lot, to the extent of their respective interests. Each Owner will be responsible for giving their Qualified Mortgagee timely written notice of the proceeding or proposed acquisition. If all or any portion of the Common Area becomes the subject matter of any condemnation or eminent domain proceeding, or is otherwise sought to be acquired by a condemning authority, the proceeds of any award or settlement will be distributed to the Association to be held or used for the common benefit of the appropriate Members in the manner determined by the Board.

Section 8.05 Binding Effect

All terms, covenants, conditions, restrictions, reservations, obligations, rights, benefits and privileges in this Supplemental Declaration, and in all other Governing Documents, are binding upon all Persons who now own or in the future acquire any rights, title or interest in any Lot or Common Area in this Neighborhood, and their respective heirs, beneficiaries, administrators, executors, guardians, conservators, custodians, attorneys-in-fact, legal representatives, successors and assigns.

Section 8.06 Constructive Notice and Acceptance

Every Person who now or in the future owns or acquires any rights, title or interest in any Lot or Common Area in this Neighborhood will be conclusively deemed to have notice of this Supplemental Declaration by virtue of its recording in the office of the Greene County Recorder. All Owners agree to notify any purchaser of an interest in the Owner's Lot of the existence of this Supplemental Declaration and the other Governing Documents, and the fact that these documents will be binding upon them to the same extent as if they were the original Owner of the Lot. By acceptance of a deed, mortgage or other instrument conveying any right, title or interest in any Lot or Common Area in this Neighborhood, the Person holding such interest will also be deemed to have consented and agreed to every term, covenant, condition, restriction, reservation, obligation, right, benefit and privilege in this Supplemental Declaration as being reasonable, necessary and fully enforceable, whether or not the instrument by which the Person acquired the interest specifically referred to this Supplemental Declaration, and whether or not the prior Owner in fact provided the notice required in this Section.

Section 8.07 Covenants Running With Land

All terms, covenants, conditions, restrictions, reservations, obligations, rights, benefits and privileges provided in this Supplemental Declaration are deemed to be covenants running with the land, and shall continue to be binding upon the land to the same extent as if this Supplemental Declaration were fully rewritten in each instrument of conveyance.

Section 8.08 Mutuality

All terms, covenants, conditions, restrictions, reservations, obligations, rights, benefits and privileges provided in this Supplemental Declaration are for the direct, mutual and reciprocal benefit of the Developer, every Owner, the Association, White Barn Trails Neighborhood Society, and their respective successors and assigns. This instrument creates a mutual equitable servitude upon all portions of this Neighborhood in favor of all other portions of this Neighborhood, and reciprocal rights and obligations, and privity of contract and estate, between the respective Owners of any Lot or Common Area in this Neighborhood, to the extent, and for the uses and purposes, provided in this Supplemental Declaration.

Section 8.09 No Reverter

No term, covenant, condition, restriction, reservation, obligation, right, benefit or privilege provided in this Supplemental Declaration is intended to create, or will be construed as creating, a condition subsequent or a possibility of reverter.

Section 8.10 Duration

This Supplemental Declaration will remain in full force and effect for a period of Forty (40) years from the date this Supplemental Declaration is recorded in the office of the Greene County Recorder. After this initial term, the effective period of this Supplemental Declaration will be automatically extended for successive periods of Ten (10) years each, unless an instrument meeting the requirements for an amendment to this Supplemental Declaration is properly signed, witnessed, acknowledged and recorded within One (1) year prior to the termination of the initial Forty (40) year term, or within One (1) year prior to the termination of any successive Ten (10) year extension period.

Section 8.11 Time Limits (Perpetuities)

If a court of proper jurisdiction determines that any of the terms, covenants, conditions, restrictions, reservations, obligations, rights, benefits or privileges provided in this Supplemental Declaration are unlawful or void for violation of: (i) the rule against perpetuities; or (ii) any rule restricting restraints on alienation; or (iii) any other statutory or common law rules imposing time limits, then such provision shall continue only until Twenty-One (21) years after the death of the

last person who was then living on the date of death of the person who is President of the United States on the date this Supplemental Declaration is recorded.

Section 8.12 Computation of Time

For purposes of computing any time requirements under this Supplemental Declaration, the term “days” means all calendar days, including Saturdays, Sundays and legal holidays, unless specific reference is made to “Business Days.” Where reference is made to a time requirement, the first whole or partial day of the applicable time period will be excluded and the last day of the applicable time period will included.

Section 8.13 Headings

The headings of each Article, Section and Paragraph in this Supplemental Declaration are for convenience of reference only, and must not be considered in resolving questions of interpretation or construction of this Supplemental Declaration, or deemed in any way to define, describe, interpret, construe, limit or expand the scope or intent of the language to which they refer.

Section 8.14 References

Unless otherwise specified, all references to a particular Article, Section or Paragraph refer to the Articles, Sections or Paragraphs of this Supplemental Declaration.

Section 8.15 Inclusive Terms

Whenever the context of this Supplemental Declaration requires for a logical and reasonable interpretation, the singular of a word includes the plural, and the masculine form includes the feminine or neuter, and vice versa.

Section 8.16 Incorporation of Exhibits

All attached exhibits are incorporated by reference into, and made a material part, of this Supplemental Declaration.

Section 8.17 Partial Invalidity

If a court of proper jurisdiction determines that any provision of this Supplemental Declaration, or its application to any Person, is to any extent void or invalid, then the remainder of this

Supplemental Declaration will not be affected, and each remaining provision will be valid and enforced to the fullest extent permitted by Applicable Law.

Section 8.18 Conflict Within Supplemental Declaration or Amendments

If a conflict arises between any provisions in this Supplemental Declaration, or between any provisions in this Supplemental Declaration and any provisions in any later amendment or other Governing Document, the more restrictive covenant, condition, restriction or obligation will control.

Section 8.19 Amendment

During the Development Period, only the Developer may amend this Supplemental Declaration. Any amendment by the Developer will not require any notice to, or consent, approval or signature of, the Association, Board, any Neighborhood Society or Council, any Owner, Qualified Mortgagee, or any other Person. After the Development Period, only the Association may amend this Supplemental Declaration by the affirmative vote of not less than Seventy-Five Percent (75%) of all Members of the Association.

Canons of Order Of White Barn Trails Neighborhood Society, Inc.

Pursuant to Section 1702.10 of the *Ohio Revised Code*, the sole incorporator of **WHITE BARN TRAILS NEIGHBORHOOD SOCIETY, INC.**, an Ohio nonprofit corporation (the "Society"), adopts the following Canons of Order of the Society in connection with the Neighborhood known as White Barn Trails at Stonehill Village (the "Neighborhood"). The Neighborhood is part of the residential and business development known as Stonehill Village (the "Community"), located in Beavercreek Township, Greene County, Ohio. The term "Canons of Order" has the same meaning as "Code of Regulations" for purposes of Chapter 1702 of the *Ohio Revised Code*.

Article One General Provisions

Section 1.01 Purpose

The purpose of these Canons of Order is to establish procedures for the organization and government of the Society and the conduct of its affairs. The Neighborhood is one component of the Community in which it is located. As such, it has requirements that are both similar to, and unique from, the Community at large. The purpose of the Society is to provide a formal, organized forum through which the Owners of Lots located in the Neighborhood may have a voice in the activities of the Community Association. The Society will also serve as the vehicle for the Owners of Lots in the Neighborhood to elect a representative to serve as the Neighborhood's Voting Member in the Community Association. Another important purpose of the Society is to encourage, facilitate, and hopefully foster positive social relationships among the Owners of Lots in the Neighborhood. The powers and authority of the Society are intended to be subordinate to the rights, powers and authority of the Community Association. Upon written request and payment of any applicable charge, the Council of the Neighborhood will provide a complete and accurate copy of these Canons of Order to any Owner or purchaser under contract to buy a Lot in the Neighborhood.

Section 1.02 Application of Cannons of Order

All present or future Owners and Occupants of any Lots in the Neighborhood, and all other Persons who use the Common Areas in the Neighborhood in any manner, will be subject to these Canons of Order and all other Governing Documents. By accepting a deed to a Lot in the Neighborhood, each Owner will be deemed to have constructive notice of these Canons of Order and all other Governing Documents. Acceptance of a deed to a Lot will also constitute unconditional acceptance of, and agreement to be bound by, these Canons of Order and all other Governing Documents.

Section 1.03 Definitions

The words in these Canons of Order are to be given their common, ordinary meanings. Capitalized terms have the same meanings as they have been given in the Glossary of Defined terms attached to the Master Declaration of Covenants, Conditions and Restrictions for Stonehill Village, recorded in the official records of Greene County, Ohio, (the “Declaration”), unless the context clearly indicates otherwise.

Article Two Developer’s Reservation of Rights

Section 2.01 Purpose

The Purpose of this Article of the Canons of Order is to describe the rights, powers and authority that the Developer, Nutter Enterprises, Ltd. is specifically retaining concerning the operation, management and control of the Society during the Development Period. By acceptance of a deed to a Lot, each Owner unconditionally acknowledges and agrees that all rights, powers and authority of the Developer described in these Canons of Order and all of the other Governing Documents are material, reasonable and necessary for proper development of the Neighborhood and the Community.

Section 2.02 Exclusive Control Over the Society

Notwithstanding anything to the contrary in these Canons of Order, during the Development Period, the Developer will have the complete and exclusive right and power to control the management, operation, decisions and all other aspects of the Society. The rights and powers reserved by the Developer will be without any limitation, and will continue throughout the entire Development Period without exception. All rights and powers granted to the Society will be subject and subordinate to the rights of the Developer during the Development Period.

Section 2.03 Exclusive Control Over Council and Committees

During the Development Period, the Developer will have the complete and exclusive right and power to control the formation, organization, management, operation, decisions and all other aspects of the Council, and all Officers committees, subcommittees, panels, boards, employees, volunteers and agents of the Society. These rights and powers reserved by the Developer will also be without any limitation, and will continue throughout the entire Development Period without exception. All rights and powers granted to the Council, Officers, committees, volunteers and agents of the Society under these Canons of Order will be subject and subordinate to the rights of the Developer during the Development Period. Without limiting the Developer’s

rights under this Section, the following are specific requirements which must be followed in order to preserve the Developer's rights and powers:

(a) Appointment of Council Members and Others

The Developer will have the right to appoint, approve, and/or remove any and all of the Council Members, Officers, and all committees, volunteers and agents of the Society.

(b) Notice of Meetings

The Developer must receive timely notice of all meetings of the Members, the Council, and all committees of the Society.

(c) Right to Participate

The Developer, either by itself or through any other Person designated by the Developer, will have the right to attend and participate in all meetings of the Members, the Council, and all committees of the Society.

(d) Right to Disapprove Actions

The Developer will have the right to approve, disapprove, or modify all actions, decisions, recommendations, Rules and Regulations, policies, programs and other activities of the Society, Council, the Officers and all committees of the Society. If the Developer does not exercise its right to disapprove or modify the matters by written notice to the acting body within Ten (10) days after the matter is initially decided or implemented, then the Developer will be deemed to have waived this right as to that particular matter.

Section 2.04 Exercise of the Developer's Rights and/or Discretion

To the extent that the Developer is empowered under this Article of the Canons of Order or any of the other Governing Documents to undertake any action, to make any decision or determination, or to exercise any other right, privilege, or power, the action, decision and/or exercise will be at the sole, complete and absolute discretion of the Developer, without the need for any review, approval, consent or authorization by any other Person whatsoever.

Section 2.05 Reservation of Right to Delegate

The Developer reserves the right to assign or delegate to the Council or any Person the right to exercise all or any portions of the Developer's rights, powers and authority under these Canons of Order, and any of the other Governing Documents, on the terms and for the periods of time as the Developer may determine. Any assignment or delegation must be in writing and signed by the Developer, or its authorized agent. No assignment or delegation under this Section will

reduce or limit the right of the Developer to exercise that right, power or authority concurrently or independently, or expand the right, power or authority beyond the scope properly exercised by the Developer.

Section 2.06 No Waiver

The failure of the Developer to exercise any right, power or authority granted to or reserved by the Developer under these Canons of Order, or any of the other Governing Documents, will not constitute a waiver of the Developer's right to exercise that right, power or authority at any time, whether under the same or different circumstances, or under any existing, concurrent or subsequent events.

Section 2.07 Commencement and Termination of Development Period

The Development Period will commence on the date that the Declaration for the Community is recorded in the office of the Greene County Recorder. The Development Period will terminate on the earlier of:

- (i) the date on which the Developer, any Related Entity or any Founding Member no longer owns any portion of the Property in the Community, including without limitation any Exempt Property or any Voidable Property;
- (ii) the date on which the Developer voluntarily relinquishes all of its rights and authority under the Declaration in a written instrument, signed by the Developer, and recorded in the office of the Greene County Recorder, which specifically states that the Developer intends to terminate the Development Period; or
- (iii) the date which is Forty (40) years after the date on which the Declaration is recorded in the office of the Greene County Recorder.

Section 2.08 Transition With Respect to Society

Upon the formation of the Society, the Developer will appoint all Council Members. Within Sixty (60) days after conveyance of Twenty-Five Percent (25%) of the Neighborhood's total Lots to Owners other than the Developer or any Builder, the then current Owner Members of the Society may elect One (1) member of the Council. Within Sixty (60) days after conveyance of Fifty Percent (50%) of the total Lots in the Neighborhood to Owners other than the Developer or any Builder, the then current Owner Members of the Society may elect a total of Two (2) members of the Council. Within Sixty (60) days after conveyance of Seventy-Five Percent (75%) of the total Lots in the Neighborhood to Owners other than the Developer or any Builder,

the then current Owner Members of the Society may elect a total of Three (3) members of the Council for the Neighborhood.

Section 2.09 Early Termination of Control

The Developer may voluntarily relinquish and terminate all or a portion of its right to participate in and control the Society, Council, and all committees of the Society before termination of the Development Period. Any early termination must be evidenced in a written instrument, signed by the Developer and recorded in the office of the Greene County Recorder, which specifically states that portion of control, or the nature and scope of those rights, powers, and authorities, then being terminated and relinquished by the Developer. A partial termination will not be construed to limit, restrict or otherwise affect the remaining exclusive rights and powers granted to or reserved by the Developer under these Canons of Order or any other Governing Documents which are not specifically relinquished.

Section 2.10 Effect of Termination of Development Period Upon this Article

The terms and conditions set forth in this Article of the Canons of Order will only be effective during the Development Period. Upon the termination of the Development Period, this Article will be automatically repealed and will be completely disregarded in the same manner and to the same extent as if it had never been incorporated into the Canons of Order. The repeal of this Article will not have any effect whatsoever on the remaining Articles and provisions of these Canons of Order.

Article Three Name and Location

Section 3.01 Name of Society

The name of the Society is the White Barn Trails Neighborhood Society, Inc.

Section 3.02 Location of the Principal Office

The principal office of the Society will be at Stonehill Village in Beavercreek Township, Greene County, Ohio.

Article Four

Relationship Between Neighborhood Society and Community Association

Section 4.01 Overview

Management of a Community the size of Stonehill Village is a complex, but important matter. The objective of the Developer is to provide an efficient and effective system that permits and encourages participation by every Owner, without creating unreasonable personal administrative obligations that will detract from the enjoyment of living in the Neighborhood and the Community. The overlay management structure for the Community consists of the Association, as the central administrative body, and several smaller, subordinate organizations known as Neighborhood Societies. This Society is one of those Neighborhood Societies. The Association and the Society are structured with the goal of facilitating participation by the Owner Members in the governance of the Community, while reducing as much as possible the administrative burdens associated with that participation.

Section 4.02 Purpose of Association

The Developer has formed the Association as an Ohio nonprofit corporation. The legal name of the Association is the Stonehill Village Community Association, Inc. The purpose of the Association is to serve as the predominant entity through which the Owners of Lots in the Community (which include the Owner Members of this Society) will manage and administer the entire Community for the benefit of all of the Owners in the various Neighborhoods. The Association will own, manage, maintain and operate all of the Common Areas in the Community. Further, the Association will oversee and enforce the Declaration and the other Governing Documents through its Board and various committees.

Section 4.03 Purpose of Neighborhood Societies

As each Neighborhood is integrated into the Community, the Developer will form a separate Ohio nonprofit corporation for that Neighborhood. This Society is one such nonprofit corporation. Although the legal structure of the Society is similar to the legal structure of the Association, it has been designated in the Declaration, the Articles of Incorporation, and these Canons of Order as a "Neighborhood Society" in order to differentiate it from the Association. Further, the powers and authority of this Society and every other Neighborhood Society will be subordinate to the rights, powers and authority of the Association. The primary purpose of this Society and every other Neighborhood Society will be to provide a forum where Owners in the Neighborhoods will have an opportunity to provide input into matters that affect their particular Neighborhoods. Each Neighborhood Society will also elect a representative to serve as the Voting Member to represent their Neighborhood in the Association.

Section 4.04 Effect of Layering Organizations

The purpose of providing layers of administrative rights and responsibilities through the Association and subordinate Neighborhood Societies is to create a more efficient system of private democracy in the Community for the management of its affairs. The ultimate power is reserved for the Owner Members, subject only to the rights of the Developer during the Development Period. The Owner Members will exercise most of their rights through the Neighborhood Societies. In turn, the Neighborhood Societies will operate the Association through the collective action of their individual Voting Member representatives. These multiple levels of organization are intended to establish a representative form of management that will best reflect the rights and desires of the Owners through a centralized structure. The centralized structure of the Association will enable the individual Owners to be free of the daily responsibilities of overseeing the operation of the Community, while at the same time enhancing the continuity and effectiveness with which the Community as a whole can fulfill the goals and objectives described in the Declaration, these Canons or Order, and other Governing Documents.

Section 4.05 Veto Power of Voting Members of the Association

In recognition of the fact that the rights and powers of the Community's Association are superior to any and all rights and powers of the Society, by majority vote of the Voting Members and the Association, the Association will have the right to veto, prohibit, enjoin or modify any action taken or proposed to be taken by the Society if, in the sole discretion of the Voting Members, the action conflicts in any respect with the power and authority of the Association, or is or may be detrimental to the health, safety, welfare or overall best interests of the Community as a whole. This veto power on the part of the Association is inherent in the structural interrelationship between the Association and the Society, and is completely independent of the Developer's rights during the Development Period. Thus, the expiration of the Development Period will not have any impact upon the Association's control over the actions of the Society as set forth in these Canons of Order, the Declaration, or any other Governing Document.

Article Five Members

Section 5.01 Membership Type

There will be Three (3) different types of Members in the Society, each of which is described below:

(a) Owner Members

Every Owner of a Lot in the Neighborhood will automatically be a Member of the Society.

(b) Developer Member

The Developer, or any Related Entity to which the Developer has assigned its rights pertaining to the development of the Neighborhood, will be the only Developer Member of the Society. Membership of the Developer Member is based upon the Developer's relationship to and responsibilities for the creation and development of the Neighborhood. The Developer or its Related Entity will be considered a Member of the Society in order to facilitate the exercise of the rights, powers and authority reserved for the Developer under the Declaration and these Canons of Order. The Developer Member category of membership in the Society will automatically terminate upon the conclusion of the Development Period.

(c) Founding Members

The spouse, children, grandchildren and great grandchildren of Robert W. Nutter, and the spouses and natural or adopted children of each of these individuals are the Founding Members of the Society. Membership of the Founding Members is based upon the relationship of these individuals to the initial owner of the land upon which the Community and the Neighborhood have been established, and in recognition of the concept and implementation of the Community by this family. The Founding Members are considered to be Members of the Society in order to permit their continuing use and enjoyment of the creation they envisioned and brought into reality. The Founding Member category of membership in the Society will continue until the death of the last Founding Member.

Section 5.02 Owner Member Qualification

All Owner Members in the Society must be the holders of present legal title to a Lot in the Neighborhood. Membership by the Owner Members in the Society is evidenced by a properly executed and delivered deed granting a present legal interest in a Lot, and will be effective from the date the deed is recorded. Owner Members may be individuals, general or limited partnerships, limited liability companies, profit or nonprofit corporations, trusts, or any other form of entity recognized under Ohio law and having the power to hold legal title to real estate. Membership in the Society is an incidence of ownership of a present interest in legal title to a Lot in the Neighborhood, and all Owner Members of the Society must have a present legal interest in title to one or more of the Lots. No person who holds a future legal or equitable interest (whether vested or contingent) in any Neighborhood Lot will be an Owner Member of the Society, nor have any rights or obligations of Owner Members of the Society. Lenders holding any interest in any Lot in the Neighborhood as security for an obligation of the Owner of the Lot are not eligible to be Owner Members in the Society unless and until they have foreclosed on the security and obtained legal title to the Lot.

Section 5.03 Transfer of Membership by Owner Members

If an Owner Member sells, assigns, gives or otherwise transfers a present legal interest in a Lot to another Person, the membership of the former Owner will automatically terminate, and the new Owner will automatically become an Owner Member in the Association. This transfer will be effective upon the recording of the deed for the Lot being transferred.

Section 5.04 Voting Rights

The Members of the Society will have the following rights concerning voting on matters requiring or permitting the vote or approval of the Members:

(a) Non-Voting Members

After the Development Period, the Developer Member and the Founding Members will not have the right to vote on any matters brought before the membership of the Society for consideration. However, the Developer Member and the Founding Members will be entitled to receive notice of all meetings of the Members, and to attend and participate in discussions of all issues raised at those meetings. During the Development Period, the Developer will have the right to cast a superior vote to all Owner Member votes, and will also retain the unlimited right to veto actions passed by Owner Member votes.

(b) Owner Members

Owner Members of the Society will be entitled to vote on all matters requiring the approval of the Members as set forth in these Canons of Order. There will only be One (1) vote per Lot. If a Lot is owned by more than one individual, the co-Owners of the Lot must determine among themselves who will exercise the voting right for that Lot. Multiple votes from co-Owners of a single Lot will result in the disqualification of all votes pertaining to that Lot on that issue. In situations where the Owner of a Lot is not a natural person, the Owner must designate in writing to the Secretary of the Association, in advance of casting a vote, the name and official title of the individual who is authorized to vote for that Owner Member on that issue. All votes of the Members are subject to the rights of the Developer during the Development Period.

Section 5.05 Annual Meetings

The first annual meeting of the Members will be held within One (1) year from the date of the recording of the Plat for the Neighborhood in the offices of the Greene County Recorder. Each succeeding year, a regular annual meeting of the Members will be held on or before the last day of January, or on such other date as the Council may designate.

Section 5.06 Special Meetings

Special meetings of the Members may be called at any time by the President, a majority of the Council acting with or without meeting, or upon written request of Members entitled to exercise a majority of the voting power of Members. All special meetings of the Members will be held at a time and at a location established by the Council, but no later than Thirty (30) days after receipt of the written request from the Person(s) calling the meeting.

Section 5.07 Notice of Meetings

Notice of each annual or special meeting of the Members will be given by, or at the direction of, the Secretary of the Society to each Member entitled to vote at that meeting. All meeting notices must be served in the manner provided in these Canons of Order at least Ten (10) days, but not more than Sixty (60) days, before the meeting. The notice will also be served on the Developer Member and all Founding Members in the same manner and in the same time. The notice will specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting. No other business will be conducted at any special meeting of the Members except as stated in the notice of the meeting.

Section 5.08 Waiver of Notice

Waiver of notice of a meeting of the Members will be deemed the equivalent of proper notice. Any Member may, in writing, waive notice of any meeting of the Members, either before, during or after the meeting. Attendance at an annual or special meeting by a Member is deemed a waiver by that Member of notice of the time, date and place of the meeting, unless that Member specifically objects to lack of proper notice at the time the meeting is called to order.

Section 5.09 Quorum

Except as otherwise provided in the Declaration, the presence, in person or by proxy, of Members having at least One-Third (a) of the voting power of the Members will constitute a quorum at any duly called and noticed meeting of Members. If there is less than a quorum present at any meeting, a majority of the Members who are present may adjourn the meeting to a time not less than Five (5) days or more than Thirty (30) days from the time the original meeting was called. At any adjourned meeting at which a quorum is present, any business that might have been properly transacted at the meeting originally called may be transacted without further notice.

Section 5.10 Voting Power

Except as otherwise provided in these Canons of Order, any other provision of the Governing Documents, or Applicable Law, a majority of the voting power of Members present and voting

on any matter that may be determined by the Members at a duly called and noticed meeting at which a quorum is present will be sufficient to determine that matter.

Section 5.11 Proxy

At any meeting of the Members, a Member may vote in person or by proxy. All proxies will be in writing and, if more than one Person owns a particular Lot, then each Person, or an authorized representative of each entity, representing the total ownership of any single Lot must join in signing the proxy. All proxies will be filed with the Secretary of the Society prior to the meeting. Every proxy will be revocable and will automatically cease upon conveyance by an Owner Member of his, her, or its Lot.

Section 5.12 Action in Writing Without Meeting

Any action required or permitted to be taken at a meeting of the Members may be taken without a meeting, without prior notice and without a vote if written consent specifically authorizing the proposed action is signed by all Members entitled to vote on the matter presented, or signed by the lesser percentage of Members if, and to the extent, permitted by Applicable Law. The written consents must be signed within Sixty (60) days after receipt of the earliest dated consent, delivered to the Society at its principal place of business. The consents will be filed with the minutes of the Society, and will have the same force and effect as a vote of the Members at a meeting.

Section 5.13 Order of Business

Roberts Rules of Order will apply to the conduct of all meetings of Members, except as otherwise specifically provided in these Canons of Order.

Section 5.14 Conduct of Meetings

The President, or duly elected officer, if the President is not in attendance, presides over annual and special meetings. The Secretary will record minutes of the meetings and adopted resolutions in the corporate record book.

Section 5.15 Issues That Require the Vote of the Owner Members

The following issues will require the vote or approval of the Owner Members of the Society:

- (i) any amendment to these Canons of Order or the Articles of Incorporation;

- (ii) the election or removal of the Neighborhood's Voting Member in the Community's Association, as more fully set forth in the following section of this Article;
- (iii) any other matters the Association or the Community may from time-to-time determine;
- (iv) any matters the Council of the Society may from time-to-time determine; and
- (v) those matters that require a vote of the Members of the Society pursuant to Applicable Law, the Declaration, or any other Governing Document.

Section 5.16 Voting Member

Owner Members will elect a Voting Member to represent the Neighborhood in the Community Association. The first election of the Voting Member for the Neighborhood will take place not later than One (1) year after the conveyance of Seventy-Five Percent (75%) of the total Lots in the Neighborhood to Owners other than the Developer or any Builder. This election, and all subsequent elections, of the Voting Member will be conducted in compliance with the provisions set forth in this Section of the Canons of Order.

(a) Election of Voting Member

The Owner Members will elect One (1) representative to serve as the Voting Member for the Neighborhood in the Community Association. The candidate who receives the greatest number of votes will be elected to serve as the Neighborhood's Voting Member until the candidate's successor is elected. The Voting Member will also serve as the President of the Society.

(b) Alternate Voting Member

In addition to the Voting Member, the Owner Members will elect One (1) alternate Voting Member to act in the absence of the Voting Member. The alternate Voting Member will also serve as the Secretary of the Society.

(c) Qualifications of Voting Member

Candidates for election as the Voting Member and alternate Voting Member will either be Owner Members of the Society, spouses of the Owner Members, or permanent residents of the Neighborhood.

(d) Removal of Voting Members

Any Voting Member or alternate Voting Member may be removed, with or without cause, upon the majority vote or written petition of the Owner Members.

(e) Annual Elections and Term

The Voting Member and alternate Voting Member will be elected on an annual basis at the annual organizational meeting of the Members. The Voting Member and the alternate Voting Member will have a term of One (1) year, or until their successors are elected.

(f) Obligation of Voting Member

The Voting Member (and the alternate Voting Member when acting as the Voting Member) will have an obligation to act and vote in a manner that the Voting Member in good faith believes to be in the best interest of the Neighborhood. However, the Voting Member will not be personally liable to any Owner Member, the Society, or any other Person for any votes made on behalf of the Neighborhood.

**Article Six
Neighborhood Council**

Section 6.01 Governing Body; Composition

The affairs of the Society will be governed by a Neighborhood Council, subject to the rights of the Developer during the Development Period, and the veto rights of the Association. All Council Members will have One (1) equal vote. All Council Members must be Owner Members or spouses of Owner Members who are natural persons. No Owner Members who are corporations, partnerships, or other legal entities will be authorized to serve as Council Members. No individual and his or her spouse may serve on the Council at the same time. The Developer will always be considered to be an ex-officio member of the Council during the Development Period. As such, the Developer will be entitled to receive notice of all meetings of the Council, and to attend and participate in, itself or through an authorized representative, discussions of all issues raised at those meetings. The Developer will also have full access to all records of the Council and the Society. As an ex-officio member of the Council, the Developer will not be counted in determining the number of Council Members as set forth in the following Section of these Canons of Order.

Section 6.02 Number of Council Members

The number of Council Members of the Society will be not less than Three (3). The initial Council will consist of Three (3) Council Members. The number of Council Members may be increased or decreased by resolution adopted by a majority vote of the Owner Members at any annual meeting or any special meeting called for that purpose, but no reduction will have the effect of removing any Council Member prior to the expiration of his or her term of office.

Section 6.03 Initial Council Members

The initial Council Members will be those appointed by the voting Members in the initial action of the Members of the Society, or substitutes or additional Council Members selected by the Developer.

Section 6.04 Successor Council Members

At each annual meeting of the Members, the Members will elect Three (3) Council Members, who will serve until removed by Member action or the election of a successor. The Council Members receiving the highest number of votes will be elected. Every Council Member must be a Member of the Society. Notwithstanding the foregoing, Members exercising not less than a majority of the voting power of the Members may, from time-to-time, change the number and terms of the Council Members

Section 6.05 Removal of Council Members

Excepting the Council Members named in the Articles of Incorporation of the Society, any Council Member may be removed from the Council, with or without cause, by Members exercising a majority of the voting power of the Members. In the event of death, resignation, or removal of a Council Member, other than an initial Council Member or a replacement selected by the Developer, that Council Member's successor will be selected by the remaining Council Members and will serve until the next annual meeting of the Members, when a Council Member will be elected to complete the term of the deceased, resigned, or removed Council Member. The Developer will have the sole right to remove, with or without cause, any Council Member designated in the Articles of Incorporation of the Society or select by it, and select the successor of any such Council Member who dies, resigns, is removed, or leaves office for any other reason before the first election of Council Members.

Section 6.06 Terms of Office

The Council Members will hold office for a term of Three (3) years and until their successors are elected. A Council Member will be deemed to have resigned whenever such Council Member, or the partnership, corporation or other entity the Council Member is associated with, sells the Lot which qualified the individual to become a Council Member. The terms of the Council Members will be staggered. To implement the staggered terms, at the first annual meeting electing the Council Members, One-Third (1/3) of the Council Members will be elected for an initial term of One (1) year, One-Third (1/3) will be elected for an initial term of Two (2) years and One-Third (1/3) will be elected for an initial term of Three (3) years. All successive terms will be for a period of Three (3) years, so that only One-Third (1/3) of the Council Members are up for election each year. If the number of Council Members is not divisible by three, then the excess position will be allocated among the staggered terms in a manner resulting in the fewest number of positions being voted on in any one year.

Section 6.07 Cumulative Voting

No cumulative voting will be permitted in the election of Council Members.

Section 6.08 Compensation

Unless otherwise determined by the Members at a meeting duly called and noticed for such purpose, no Council Member will receive compensation for any service rendered to the Society as a Council Member. However, any Council Member may be reimbursed for his or her actual expenses incurred in the performance of such duties.

Section 6.09 Annual Organizational Meeting
