Restated Supplemental Declaration of Covenants, Conditions, and Restrictions for Claiborne Greens at Stonehill Village

This Restated Supplemental Declaration is made by NUTTER ENTERPRISES, LTD., an Ohio limited liability company, effective as of November 25, 2013, the date on which the original Supplemental Declaration was first recorded at Volume 3462, Page 236, of the Official Records of Greene County, Ohio.

Article One Introduction

Section 1.01 Background of Community

The Developer has created a master planned community known as Stonehill Village. The Community is a mixed-use residential and business development integrated into a unique, unified environment. The segments of the Community are grouped into Neighborhoods. Each Neighborhood has common characteristics, including permitted uses, architectural design and size of Primary Structures, and location within the Community. The Developer implemented the structure for the Community by recording a Master Declaration of Covenants, Conditions and Restrictions for Stonehill Village in the Recorder's Office of Greene County, Ohio. The Declaration is the comprehensive development plan for the Community that describes the rights and obligations of all Owners and Users of the Lots and Common Areas in the Community.

Section 1.02 Purpose of Supplemental Declaration

The purpose of this Supplemental Declaration is to integrate the subject Neighborhood as a functioning part of the Community. This Supplemental Declaration also describes additional rights, obligations, covenants, conditions, and restrictions applicable to this Neighborhood that are not otherwise described in the Declaration.

Section 1.03 Coordination with Declaration

The Developer reserved the right in the Declaration to amend and supplement the Declaration as each Neighborhood is activated. This Supplemental Declaration is an amendment to the Declaration. It supplements the Declaration with additional terms and conditions that apply only to this Neighborhood, and does not modify or eliminate any terms or conditions of the Declaration. The Declaration remains in full force and effect, and applies to all aspects of the Neighborhood described in this Supplemental Declaration. This Supplemental Declaration is subordinate to the Declaration.

Section 1.04 Exclusive Builder

M/I Homes of Cincinnati, LLC, an Ohio limited liability company ("M/I Homes") is hereby designated as the sole member of the approved Builder Group for the Claiborne Greens at Stonehill Village Neighborhood. This exclusive nature of designation shall be automatically

revoked upon the completion or other termination of the Land Purchase Agreement between the Developer's Related Entity KERWN Magenta, LLC and M/I Homes, dated January 23, 2013 (the "Land Purchase Agreement").

Section 1.05 Incorporation of Other Governing Documents

This Supplemental Declaration is one of the Governing Documents for the Community. It is to be interpreted and enforced in conjunction with all of the other Governing Documents, and not as an independent instrument. Other documents referred to in this Supplemental Declaration are also made a part of the Governing Documents. All of these Governing Documents are incorporated into this Supplemental Declaration by reference, and are made a material part of this Supplemental Declaration to the same extent as if they were completely rewritten in this Supplemental Declaration, or were attached to this Supplemental Declaration as exhibits. This Section will be deemed to be conclusive and binding constructive notice on every Person of the existence of all of these Governing Documents, regardless of whether or not all or any of those Governing Documents are ever recorded in the public records. By accepting a deed to a Lot in this Neighborhood, every Owner will be deemed to have notice of, to consent to, and to agree to be unconditionally bound by, all terms, conditions, rights and obligations of each and every Governing Document, whether now in existence or created in the future, and including all future amendments to any of the Governing Documents. All of the Governing Documents will be available for inspection by any Owner, any purchaser under contract to buy a Lot in this Neighborhood, or any prospective purchaser, during the Association's normal business hours. Further, any Owner, or any purchaser under contract to buy a Lot in this Neighborhood, may obtain a copy of all or any portion of the Governing Documents upon written request to the Association and payment of any applicable charge for the copy.

Section 1.06 Defined Terms

Words and phrases in this Supplemental Declaration that have specifically defined meanings are indicated with capital first letters. All of these defined terms have the same meanings as described in the Glossary of Defined Terms attached to the Declaration as Exhibit C.

Section 1.07 Interpretation

This Supplemental Declaration must be liberally construed in a manner that will best achieve the purpose, intent, goals and objectives of the Declaration. During the Development Period, the Developer will have the exclusive power and discretion to resolve any questions concerning the proper interpretation of this Supplemental Declaration. After the Development Period, the Executive Board of the Association will have the exclusive power and discretion concerning these interpretations. All interpretative decisions of the Developer and the Executive Board will be final and binding on all Persons. If there is a conflict between the terms of the Declaration and this Supplemental Declaration, the terms of the Declaration will control.

Section 1.08 Exercise of Discretion

Many aspects of the Governing Documents, and other decisions regarding the appropriate development and operation of the Community, require decisions that involve careful thought, analysis and exercise of discretion concerning what is in the best interests of the Neighborhood and the Community as a whole in light of the Developer's underlying intent, purposes and goals

as reflected in the Declaration and this Supplemental Declaration. Therefore, unless a different standard is specifically stated, whenever any provision of this Supplemental Declaration, or any of the other Governing Documents, requires or permits a judgment, decision or determination by the Developer, the Developer will have the sole, absolute and exclusive power and discretion to make the judgment, decision or determination without any notice to or consent of any other Person. This standard will apply whether or not it is specifically stated in the provision requiring or permitting the judgment, decision or determination. Further, the standard in this Section will apply to all judgments, decisions or determinations of the Association, the Association Board, the Executive Board, the Neighborhood Society and Council, and the Design Review Board where action by any of those entities is required or permitted.

Section 2.02 Name of Neighborhood

The formal name of this Neighborhood is "Claiborne Greens at Stonehill Village." The abbreviated name of this Neighborhood is "Claiborne Greens."

Section 2.03 Activation

Upon recording this Supplemental Declaration in the office of the Greene County Recorder, all of the Property described on attached Exhibit A is formally activated as a Neighborhood of the Community. The Developer will systematically integrate each respective portion of this Neighborhood as functioning parts of the Community by recording a Plat for the Section of the Neighborhood then under development. Section 2.04 Relationship to Community

Claiborne Greens at Stonehill Village is one of several Neighborhoods in the Community. This Neighborhood is contemplated in the Master Concept Plan, and is being integrated into the Community consistent with the Master Concept Plan. As part of the Community, this Neighborhood is a single component of the development plan for all of Stonehill Village. This Neighborhood will co-exist in the Community in relationship with all other present and future Neighborhoods of the Community in the manner described in the Declaration, but not as a

separate, independent subdivision. The Owners and Occupants of the Lots in this Neighborhood will have all of the rights and privileges, and be subject to all of the obligations and restrictions, under the Declaration.

Section 2.05 Subordination to Applicable Law

This Supplemental Declaration is subject to Applicable Law of all Government Entities. This includes all conditions and requirements of Beaver Creek Township Zoning Case #671, any future amendments of that Zoning Case, all other applicable zoning regulations, and applicable subdivision regulations of Greene County, Ohio.

This Neighborhood Concept Plan illustrates the manner in which the Developer intends to subdivide and develop the Neighborhood. The Neighborhood Concept Plan depicts the Developer's present intention for development of the Neighborhood. The Developer reserves the right to modify the Neighborhood Concept Plan at any time and for any reason without any notice to or consent of any Person. However, any modification of the Neighborhood Concept Plan will be subject to satisfaction of applicable zoning and subdivision requirements and approvals of appropriate Government Entities.

Section 3.02 Permitted Uses

The Developer will subdivide the Property within the Neighborhood by recording one or more Plats in the office of the Greene County Recorder. Each Plat will constitute a Section of the Neighborhood, and will be designated sequentially in the order in which the Developer subdivides the Neighborhood. More than one Section may be under development at the same time. Completion of the sequence of Sections will complete the Phase of the Community constituting this Neighborhood. Each Plat will show the specific layout of the Lots, Common Areas and portions of the Property dedicated for public use. A Plat may also show specific easements for Public Utilities. All Easement Areas described in the Declaration may not be specifically indicated on a Plat. Failure to particularly describe or designate a specific Easement Area on a Plat will not diminish the effectiveness of the easements reserved in the Declaration.

Section 3.04 Common Areas

Each Plat will show those portions of the Neighborhood that are designated as Common Area. Upon recording each Plat, the designated Common Area will be automatically activated as Functioning Common Area. Unless otherwise specifically indicated on a Plat, all Common Areas in this Neighborhood are Community Common Areas. The Association may delegate all or specific portions of its maintenance and assessment responsibilities concerning Common Areas in this Neighborhood to the Neighborhood Society. M/I Homes shall have the obligation to fund any shortfall in the revenue from Assessments necessary to maintain and repair the Common Areas in the Neighborhood until Assessments received by the Association from the Neighborhood are adequate to pay for the costs of such maintenance and repair. If M/I Homes no longer owns any property in the Neighborhood, this obligation shall terminate.

Section 3.05 Design Controls

All Improvements and construction activities in the Neighborhood are subject to full compliance with the Declaration and all of the Community Design Review Standards, except to the extent modified in the Neighborhood Design Review Standards. The Developer adopts Neighborhood Design Review Standards to supplement the Community DRS. These Neighborhood DRS impose specific standards, requirements, policies, and procedures that apply to this particular Neighborhood. The Design Review Board has jurisdiction over all Improvements in the Neighborhood in order to assure compliance with the Declaration and all of the Governing Documents. The authority of the DRB is described in the Declaration. This Supplemental Declaration does not create any additional rights or obligations on the DRB.

The Society may also serve an important social function by fostering closer relationships among the Owners in the Neighborhood, and between the Neighborhood and other Neighborhoods in the Community.

Section 4.03 Further Purpose of Society

Claiborne Greens Neighborhood Society may also serve the purpose of providing for the care and maintenance of Common Areas in the Neighborhood, if and to the extent the Association delegates these responsibilities.
